

Mission Statement

At the service of the church and one with the *Missionary Oblates of Mary Immaculate* whose mission is that of Jesus Christ sent to announce good news to the poor, freedom to captives and new vision to the blind (Luke 4), Queen's House is primarily committed to the renewal of the people of God with special regard for the alienated and the suffering.

A place of hospitality, beauty and quiet, Queen's House welcomes all peoples in their unique life experiences. They come to pray and worship, to seek healing and human dignity, to grow in knowledge of self, the world and God. With risk and daring Queen's House responds to these needs through creative programs and collaborative ministry.

Embracing its own need for conversion, Queen's House looks to the day when all may love tenderly, act justly and walk in truth with one another and with God (Micah 6).

A Home Away from Home

MYSTICS AND SCIENCE EXPAND OUR FAITH

- What did the Christian Mystics of 12th Century discover about God and the awe and wonder of creation that aligns with the new science of the 21st Century?
- What truths of the created world did St Hildegard, St Francis, Meister Eckhart, Julian of Norwich realize?
- What is it that Science has discovered about the story of the Universe and our relationship to it?

Contemporary mystics like Teilhard de Chardin, Thomas Merton and Oscar Romero continue to expand our consciousness and our sense of responsibility. So do Pope Francis and Fr. Thomas Berry.

Come and explore how Science and the Mystics enrich our spiritual journey.
