Detail: Knowingly or unknowingly all of us carry hurtful experiences from the past into the present that negatively affect our day to day relationships with ourselves, with others; at home, at work, and most especially with God.

Inspired by the spirituality of St. Ignatius of Loyola and St. Therese of Lisieux, **Triumph** is a facilitated nine-day program designed to bring healing and spiritual growth to the wounded places of our being.

We invite you to come and encounter God on this gentle, powerful and life changing journey of inner healing and transformation. A journey leading more deeply into a fulfilled, peaceful, Christ-centered life filled with Joy.

'Triumph' is for everyone! 'Triumph' is for me, for you, for your friends, for your family, for priests and religious and other ministers, for Christians of any faith tradition or denomination (for that matter, people of any faith tradition, Christian or not), for people who are at any point on their faith-walk -- 'on fire' or 'lukewarm' or completely 'cold'! And if you're not covered in this list, then 'Triumph' is for you too! We are all made for a relationship with God. Rediscovering our identity as His children brings meaning, purpose and fulfilment to every area of our lives. His healing mercy and love are for everyone!
