

## Mission Statement

At the service of the church and one with the *Missionary Oblates of Mary Immaculate* whose mission is that of Jesus Christ sent to announce good news to the poor, freedom to captives and new vision to the blind (Luke 4), Queen's House is primarily committed to the renewal of the people of God with special regard for the alienated and the suffering.

A place of hospitality, beauty and quiet, Queen's House welcomes all peoples in their unique life experiences. They come to pray and worship, to seek healing and human dignity, to grow in knowledge of self, the world and God. With risk and daring Queen's House responds to these needs through creative programs and collaborative ministry.

Embracing its own need for conversion, Queen's House looks to the day when all may love tenderly, act justly and walk in truth with one another and with God (Micah 6).

## Discovering Our Sacred Relationship with the Living Earth

The discoveries of modern Science reveal the marvels of the Cosmos. It is a story full of Divine elegance and mystery. It challenges us to expand our way of understanding and relating to God, and to the sacredness of God's creation and to our relationship with it. These discoveries have brought us to understand our connectedness as a most fundamental reality.

We will explore how spirituality emerges as one of awe, wonder, and a unitive consciousness that Jesus and mystics like St. Francis, Hildegard, Teilhard and Thomas Berry grasped. It is Ecological Spirituality that is emerging now in a time of loss of connection with Nature, and that is calling us to our place in this Community of Life. There will be film, music, and presentations drawing on Science, Mystics, Spirituality, and Pope Francis in his encyclical, *Laudato Si - Care of our Common Home*
