QUEEN'S HOUSE SPIRITUAL DIRECTORS

To arrange to have a Spiritual Director on an ongoing basis, see the roster of available spiritual directors at queenshouse.org/spiritualdirection or contact Sr. Adeline Behm, 306-242-1916.

Spiritual Direction is the process of accompanying someone on their spiritual journey.

The Spiritual Director is a dedicated traveler of the interior pathways who has skills to accompany another person's searching through life's ups and downs. The Director listens, encourages, supports and assists the person to pay attention to their life and to God.

The Art of Spiritual Direction lies in uncovering the obvious in our lives and in realizing that every day events are the means by which God reaches us, accompanies us, and transforms us.

Eco Spirituality and the Cosmos

The discoveries of modern Science are revealing the marvelous unfolding of the Cosmos! It is a story full of Divine elegance and mystery that challenges us to expand our way of understanding and relating to God, and to the sacredness of God's creation. These discoveries have brought us to understand our connectedness as a most fundamental reality. Fr. Thomas Berry says, 'Earth is a communion of subjects - not a collection of objects.'

We will explore how spirituality emerges as one of awe, wonder, and a unitive consciousness that Jesus and mystics like St. Francis of Assisi, St. Hildegard of Bingen OSB, and Pierre Teilhard de Chardin SJ grasped. It is Ecological Spirituality that is emerging now in a time of loss of connection with Nature, and that is calling us to our place in the Community of Life. There will be film, discussion, reflection time, a presentation drawing on science, spirituality, and an in depth look at *Laudato Si, Care of Our Common Home* by Pope Francis.
