

COVID-19 Guidelines

Informed by Tourism Saskatchewan / Government of Saskatchewan

August 31, 2020

General Guidance:

- Monitor personal health. If you feel ill, please stay home.
- Be patient and exercise care and consideration.
- Use healthy hygiene practice, especially **hand washing**.
- Practice physical distancing as much as possible.
- Restrict and monitor your use of shared items and spaces,
- Use a mask in common areas. (Available for purchase, if necessary - \$2)
- Sanitize upon arrival, as required and upon dining room entry.
- We encourage each group to provide their own sanitizers.
- Each group must have and retain an accurate record of their attendance roster should this information be required.

Mealtime Guidance:

- Mealtimes are staggered to promote physical distancing.
- Guests will be served as they move along the food line.
- Staff will serve guests from behind the plastic guard.
- Individual utensils, cups and condiments will be provided.
- Practice practical and prudent physical distancing.
- Staff will collect used dishes from your table.
- Self-serve coffee and juice access remains in place.
- The use of personal beverage containers is encouraged.

And remember, you are

!!
