SPIRITUAL JOURNEY**

## What is a Spiritual Director?

A Spiritual Director is someone who listens and has discerned a call to accompany others - especially those who are experiencing challenges - with finding meaning and wholeness in life. A Spiritual Director has personally experienced being accompanied by their own spiritual director, and has pursued appropriate training in this listening ministry.

The Spiritual Directors at Queen's House are representative of the wider ecumenical community and together bring a richness of wisdom and experience to provide a compassionate guiding presence to anyone seeking meaning in the complexities of life today.

This brochure gives a brief introduction to Queen's House Team of Spiritual Directors. Additional information about each one is provided on our website. If you would like to meet with any one of these Spiritual Directors you may contact them personally.

If you are new to Spiritual Direction and have any questions about Spiritual Direction, you may contact our coordinator, Sister Adeline Behm - 306-242-1916 X 228; email: [spiritualdirection@queenshouse.org](mailto:spiritualdirection@queenshouse.org)
