

THE SYNOD FOR THE AMAZON: ONE YEAR LATER

New Paths for the Church and for an Integral Ecology

You are invited to participate in an online webinar which will center on the themes of the Synod: ecological justice and Indigenous rights. It will expose participants to what happened at the Synod, but more importantly, on what this means for the faith lives of Canadian Christians. Connections will also be made to current issues of BLM and racism, “decolonializing” the church, and international solidarity today. The webinar features speakers Archbishop Don Bolen, Elder Harry Lafond and Kelly Di Domenico.
