RETREAT AND RENEWAL CENTRE
NOURISH YOUR MIND - NURTURE YOUR SPIRIT

From Yesterday to Tomorrow in a Time of Pandemic

The past months have required us to live differently. For some, the adjustment to this journey has been slight, for others monumental. In whatever way we've experienced this time, we are all called to find new ways of living as we transition from yesterday to tomorrow.

Using themes from the Paschal Mystery, this retreat will provide an opportunity to reflect on the experience of yesterday's losses and its accompanying process of grieving. These insights will allow us to open space within ourselves to live tomorrow with a new richness in our daily lives.

First Session: A Lenten Journey Like No Other

**Theme: From Ash Wednesday to Holy Thursday
- John 13:12-15**

Our lives have been disrupted beyond measure, and yet, we have learned to adapt, to live through our disappointments, agonies and sorrows. The Lenten journey from Ash Wednesday, when we are called to fast, pray and give alms, to Holy Thursday, when Jesus washes the feet of his apostles, will offer us a glimpse into how we might live that journey.

Second Session: From Death to Grief

Theme: Name Our Deaths and Grieve What We Have Lost - John 12: 24

In the Gospel of John, Jesus tells us that "unless a kernel of wheat falls to the ground and dies, it remains only a single seed. But if it dies it produces many seeds." (Jn 12,24) We have been called to live through many deaths and we have suffered a great deal. We have learned to take up our cross like never before. At the same time, it is important that we allow ourselves to grieve. It is vital to our health. It is a process of transformation, of coming to new life, all of which will be explored in this session.

Third Session: Resurrection

Theme: Claiming our Births - Mark 16:1-8

The Resurrection promises the possibility of a new beginning. In the midst of darkness and doubt, we are called to bring forth new hope, new birth. We are called to become bearers of the truth of the Resurrection including the possibility of change and renewal, not only for ourselves and those we love, but for the earth as well.

Fourth Session: Ascension and Pentecost

Theme: Letting the old ascend and accepting the spirit of the life you are living - Acts 1:6

We are called to be witnesses to the good news of God breaking into history. The paschal mystery offers us a vision of the path of transformation which allows us to respond faithfully to the Holy invitation of this time of upheaval and change.
