## Rebuilding

What if  
it wasn't,

but no.

What if  
I felt,

but no.

What if  
there was,

but no.

And all you did was listen.  
And all you did was respect me.  
And all you did was walk with me.  
And I needed was,

but no.

What I want to say is,  
thank you.
