Ron became the President of the Oblate School of Theology in San Antonio Texas, a position he held until September 2020. He remains as OST as a full-time faculty member. Fr. Ron is also known for his commitment to prayer and exercise, a continuing love of sports, his sense of humor, his loyalty to his friends, and the enjoyment of the odd cigar and a fine scotch.

**Queen of Apostles Renewal Centre** is under the direction of the Missionary Oblates of Mary Immaculate of Assumption Province. The Oblate mission impels us to focus our resources on the needs of those whose condition cries out most urgently for spiritual renewal and healing.

We are committed to foster strong couple relationships in marriage. As well, it is important to us to nurture a holistic spiritual development of individuals who seek to improve the quality of their life with God.

Recognizing the many gifts within the church, we embrace the full participation and collaboration of laity and religious in our Oblate apostolate, and the complementarity of men and women collaborating as equals.

Queen of Apostles is an ecumenical centre, a place of warm hospitality. For all who search for the meaning and understanding of life in our consumer oriented society, our centre is a safe haven, holy ground.

**Mission Statement:**

As a retreat and renewal centre, we offer sacred space for self-reflection, encounter with others, and spiritual exploration.

Nourish your mind. Nurture your spirit.

# A Theology and Spirituality of Sexuality

## UNDERSTANDING THE COMPLEX FIRE WITHIN

**Friday March 12, 7:00 p.m. -  
Sunday March 14, 12:30 p.m. EST**

Sex is too often seen as setting itself against spirituality. Sex seems too earthy to be connected to spirit. Evidence suggests that more people struggle religiously with the issue of sexuality than with any area in their lives. What is sexuality? Why is it so powerful? Does it come from God or does it set us against God? Why has the church never produced healthy, robust spirituality of sex? This retreat will attempt to articulate a healthy anthropology, theology, and spirituality of sex.
