Detail: Although some pilgrims have wandered continuously with no fixed destination, pilgrims more commonly seek a sacred place that deepens their connection with the divine. Over the years people have found spiritual connection by lakes, at vistas, on mountains, and in sacred gardens. During this time when travel has become challenging, this retreat invites us to take an IMAGINARY pilgrimage across Canada, in the company of others. As we journey together, we will reflect upon what a pilgrimage for the soul is and ways that the natural landscapes we encounter under God's clear blue sky might ruminant with our lives and connect us spiritually.

Throughout the retreat, the following themes will be explored:

April 19 - **Ebb and Flow:** Reflecting upon what the flow of the rivers and the rhythm of the Atlantic Ocean has to teach us about moving through life.

April 26 - **Wide Open Vistas:** Exploring what the wide-open vista views of the Prairies invite us to reflect upon.

May 3 - **Finding Solid Ground:** Gathering inspiration as we ponder how the rugged mountains of Alberta speak to us about finding our footing as we move forward or retreat in life.

May 10 - **Nurturance and Vitality:** Contemplating what we take time to nurture, what brings us alive, and what offers us peace as we reach the tucked away lush, sacred gardens of British Columbia.

Presenter: Marg Janick-Grayston

Marg was raised by a loving family on a farm in Roland, MB, where she discovered a connection with nature and spirituality. Over the years she felt inspired to take training in areas pertaining to spiritual, physical, mental, and emotional well-being. As a Recreational Therapist for 21 years, she worked holistically with people in Rehab Centers, Mental Health and Long-Term Care Facilities, and Developmental Classrooms. During that career she witnessed people's amazing resilience, deep yearning to belong, and the importance of truly listening to people's stories with compassion and empathy. With a deepening interest in accompanying people spiritually she then obtained a M.Div. in Theology and training in Spiritual Direction. For the next 21 years Marg served as a United Church clergy in rural Saskatchewan communities, and as a Program Director at Calling Lakes Centre all of which she holds dear to her heart. After obtaining certificates in energy work and Expressive Arts Therapy she was inspired, in 2014, to create Free Flow Wellness which she now puts her heart and soul into as she draws upon all of the skills she has honed over a lifetime. She is grateful for the continuous support of family, friends, and a guiding Spirit throughout life.
