Who Am I?

Part Two: Going Deeper

LIVING IN ALIGNMENT WITH MY TRUE SELF AND PURPOSE

If you have taken the introductory program, 'Who Am I?' then you are invited to join us for a four-week series this May, '**Who Am I? Part Two: Going Deeper.**

Going Deeper is an experiential virtual retreat providing participants with the opportunity to practice their inward journey of self-reflection in a supportive and encouraging environment with others who are on the same path. Using the concepts included in the Person Framework introduced in 'Who Am I?', participants will share where they are in their own journeys, along with their hopes and wishes for what may be coming next. During each session, we will use the tools, techniques and practices learned in 'Who Am I?'

"WE ALREADY HAVE everything we need. There is no need for self-improvement. All these trips that we lay on ourselves—the heavy-duty fearing that we're bad and hoping that we're good, the identities that we so dearly cling to, the rage, the jealousy and the addictions of all kinds—never touch our basic wealth. They are like clouds that temporarily block the sun. But all the time our warmth and brilliance are right here. This is who we really are. We are one blink of an eye away from being fully awake." - Pema Chodron

The focus of this series will include:

- Journeying together as part of a supportive group
- Personal reflection exercises
- Meditation Practices to silence the mind, heal the heart, and connect with the spirit
- Sharing personal stories to honor the path that has led you here
- Visioning and setting intentions
- Learning from others' insights as we journey together
- Developing curiosity about yourself, who you are and what you are meant to be doing

Included in the registration:

- Four 2-hour Zoom Sessions (meditation, reflection, sharing and setting intentions)
- Copies of all resources shared
- A one-on-one (Zoom) coaching or spiritual direction session

A prerequisite for this program is 'Who Am I? Part One' which will be offered again this fall. If you are interested in participating in Part Two and have not attended a previous program please contact Lynn Gow: gow.lynn@gmail.com
