Queen's House is a gathering place and oasis in an ever changing world, nestled in a quiet corner of Saskatoon on the banks of the South Saskatchewan River.

Your business, church, organization or service group will appreciate escaping from daily distractions and enjoying the quiet

atmosphere of Queen's House. Our attentive staff will ensure your individual and/or group needs are being served during your stay with us.

Our facility is bright, spacious and flexible enough to accommodate a variety of groups for any occasion. We welcome business meetings and conferences, group and individual retreats and are delighted to host your Christmas party, anniversary, birthday, family reunion, retirement party, tea and socials. Queen's House is also becoming a destination place in Saskatoon for wedding ceremonies, photos, receptions and rehearsal dinners.

### Stroll along the Meewasin

Spend some time walking amongst the trees of our beautifully landscaped grounds. Enjoy bike paths and walking trails along the river bank.
