*"He came to what was his own, and his own people did not accept him." (Jn. 1:11)*

Jesus, an "outsider", shared the lot of women who were outcasts due to their status, infirmity or life situation. In these presentations we reflect (with visuals and stories) on the encounters of the outsider Jesus with ten unnamed outsider women who belong as insiders in the new world he came to establish.

### **Presentation #1 - Outsider women due to their status:**

- Woman who anointed Jesus on his head
- Widow of Nain
- Widow who gave her last mite
- Syrophenician/Canaanite woman

### **Presentation #2 - Outsider women due to their infirmity:**

- Woman bent double
- Woman with hemorrhage
- Daughter of Jairus

### **Presentation #3 - Outsider women due to their life situation:**

- Woman who wept at his feet
- Woman taken in adultery
- Woman at the well

## Mary's Song of Praise

And Mary said,  
'My soul magnifies the Lord,  
and my spirit rejoices in God  
my Saviour,  
for he has looked with favour on  
the lowliness of his servant.  
Surely, from now on all genera-  
tions will call me blessed;  
for the Mighty One has done  
great things for me,  
and holy is his name.  
His mercy is for those who fear  
him  
from generation to generation.  
He has shown strength with  
his arm;  
he has scattered the proud in  
the thoughts of their hearts.  
He has brought down the power-  
ful from their thrones,  
and lifted up the lowly;  
he has filled the hungry with  
good things,  
and sent the rich away empty.  
He has helped his servant Israel,  
in remembrance of his mercy,  
according to the promise he  
made to our ancestors,  
to Abraham and to his  
descendants for ever.'
